MEMORANDUM FOR: 25X1A
ATTENTION : 25X1A
FROM : Office of General Counsel
SUBJECT : - Statements of Account of 25X1A

25X1A

1. In accordance with our telephone conversation on this date, it is requested that you inform Finance Division, that bank statements and other supporting data will be furnished them at quarterly intervals through my office by the cleared private attorney. From this basic information they can then prepare whatever recapitulation of the statement of account they may desire. This procedure appears preferable to us since the Finance Division will be in a position to prepare their own statements directly from the best available evidence (i.e., the bank statements, vouchers, receipts, etc). This account is not reflected in the regular books of the law firm and this procedure would serve also as a protection to the accomodating attorney.

25X1A

2. I am returning herewith a recapitulation prepared by the Finance Division. Since they prepared it, I assume it will be signed by someone there.

Assistant General Counsel

25X1A
